Sparks Wins From Local Hoopers As Jay Vees Winners

Next Games In January To Be With Winnemucca In Truckee

Combining a brilliant fast break with an almost unending number of players from the bench, the Sparks Railroaders handed the Wolverines their second defeat of the season, 84-52. Utilizing the long pass and some sterling board play by Al Chicago, the Sparks boys shot into a devastating 28-6 first quarter lead, and used any number of combinations of regulars and reserves thereafter as they completely ovrwhelmed TnT.

Chicago, besides dominating the boards at both ends of the court in the first period, popped in six field goals in the same period of

The Tahoe Truckee Jay Vees defeated the Sparks Juniors Friday night in a closely contested game 49-47. A hook shot by Bennie Ferrari in the last few seconds of play ended the preliminary for the locals.

time for an outstanding 12 points in 8 minutes. Carl Sanderson also accounted for 7 markers in the safe canto.

The second quarter proved more satisfying to the Truckee rooters as Bill Notley's fine outside shooting and the pin point free throw accuracy of Chuck Bergman rallied the locals to a22-46 halftime count.

Sparks Harry Guidi was the only Railroader to penetrate the Wolverine defense with any effective-

Donner Summer Homes Are Looted

Sheriff's deputies are investigating the burglary of summer homes in the Donner Lake area.

Saturday George Stetson, who owns a summer home at the west end of the lake reported to Deputy Emery Lander that his house had been broken into and looted. Investigation revealed the robber had also entered the adjoining home owned by Richard Maxwell, using the same methods.

Entry was made by removing a plywood cover from a window and breaking the glass in the bathroom. Pry marks were left by a small screw driver on the window sill. The suspect left by a back door. There was no apparent theft.

Entry to the Maxwell house was made in the same manner, the suspect prying off the plywood from the bathroom window after an unsuccessful attempt to enter a front bedroom. It was not immediately determined if the Maxwell house was robbed.

LODGE ENTERTAINS AT CHRISTMAS FETE

A delightful Christmas party was enjoyed last week by members of the Independent Order of Odd Fellows and Naomi Rebekah Lodge Number 2. It was held in the Independent Order of Odd Fellows Hall and was decorated for the special occasion.

Around 85 members and their families enjoyed the delicious buck stew and spaghetti that was served by the Rebekahs and a beautifully decorated birthday cake was presented to the Odd Fellows as it was their anniversary. After the presentation, members of the Rebekahs sang Happy Birthday.

The highlight of the evening was when Santa Claus visited the group and presented each child with a gift.

The delicious buck stew was prepared by Earl Brown and an enjoyable time was had by all.

SNOW REMOVAL IS PROBLEM OF BOARD

Representatives of the Donner Community Club of Donner Summit have asked the board of supervisors who will remove the snow from old Highway 40 between Hampshire Rocks and Donner Summit along which route the elementary school is located.

The people live in Nevada County but the school is under the jurisdiction of Placer County and is part of the Tahoe Truckee Unified School District.

Supervisor H. G. Loehr said he would contact the district superintendent and see if a joint agreement can be worked out for this important project.

Board Gives Nod To Improvement Plans For School

Assurance that elementary students in the Donner Summit area will continue to attend school there instead of being transported to Truckee as once considered, was given at the last meeting of the board of governors where tentative plans for additional rooms were accepted.

Whit Cox, architect for the school presented preliminary plans and construct ionat Donner Trail School was discussed.

The board voted to accept the plans as prepared for a multipurpose room with the added alternate of two class rooms.

Two students, Tony Calcagno and Brian Calhoun appeared before the board to ask permission for the junior class to hold its annual junior-senior prom at the Hidden Valley Country Club near Sparks, Nevada. The administration indicated it preferred to have all student activities of this type held in the district and proposed the students seek use of the recreation center at Squaw Valley. The board asked to be given further time to study the request.

The resignation of Mrs. Sybil Anderson was accepted by the board.

The newest member of the board, Gordon Moyer of Lake Tahoe, was sworn in. He replaces Herbert Obexer, resigned.

Hospital Plaque Is Dedicated Sunday

"Site for this hospital donated by Richard Joseph in memory of his son, Lavon Joseph, killed in action in World War II."

This inscription on a large bronze plaque near the entrance of the Tahoe Forest Hospital was dedicated Sunday afternoon by a small group of hospital officials and the Joseph family.

The dedication remarks were made by Nace Firpo, president of the hospital board of directors, who thanked Joseph in behalf of the community for the land upon which the hospital and grounds are located.

The stone monument which the plaque rests was designed by Leo Zander and is a marked addition to the hospital surroundings.

Also attending the brief ceremonies were Charles Heller and James Starrett, directors, Daven Morey, secretary of the board, Jack McGlade, administrator and others.

Light refreshments were served following the ceremonies.

McDANIEL IS FOUND GUILTY AS CHARGED

Donald Sites of Truckee was foreman of the superior court jury which last week found Robert H. McDaniel of Truckee guilty of rape.

McDaniel was sentenced in the Nevada County Superior Court by Judge Vernon Stoll Friday for the statutory rape of his teenage stepdaughter.

Given an indeterminate sentence, McDaniel will be taken to the State Medical Facility at Vacaville where his duration of imprisonment will be determined as prescribed by law.

A jury of five men and seven women found McDaniel guilty of the charge on December 15.

YOUTH HELD

Laurence Trent, 18, was arrested Monday on a charge of violating the county sobriety ordinance and illegally buying alcoholic beverages. Deputy Sheriff Roy Waters said an investigation is being made to determine action against those who sold the liquor.

CHIMNEY FIRE

A chimney fire at the Montano home on River Street brought out the fire department Friday afternoon. There was no damage reported.

SON OF LOCAL PAIR IS MARRIED IN EAST

SUMMIT, N. J.—Miss Sue Marie Valentine and Donald Anthony St. Claire was married here December 20 in St. Theresa's Church. The ceremony was performed by the Reverend Harold J. Murray.

The parents of the couple are Mr. and Mrs. Harold P. Valentine of Summit and Mr. and Mrs. Joseph A. St. Claire of Donner Lake, California, formerly of Walnut Park.

Valentine escorted his daughter, who wore a gown of brocade. She carried a prayer book with a spray of white orchids.

The bride's sisters, Mrs. Frederick J. Stucker and Miss Mary Jo Valentine were her matron and maid of honor. Jack Pulizzi was the groom's best man. His other attendants were Paul Ironside, Al Kalenak, and William Toth.

Mrs. St. Claire, who attended Westfield Senior High and Mills College, graduated in 1950 from Northwestern University.

Her husband is an alumnus of Stanford University, where he was a member of Delta Chi fraternity and Sigma Chi honorary Research Society. He is in his junior year at Hahnemann Medical College in Philadelphia, where he is a member of Phi Chi fraternity.

ORVAL VAUGHN GETS IMPORTANT OFFICE

Orval A. Vaughn, former chief clerk at the Truckee quarantine station, has been given a high post in the state department of agriculture.

W. C. Jacobsen, state agriculture director, announced the appointment of E. A. Breech as chief of the plant quarantine to succeed A. P. Messenger, who retired this month. Breech had been the bureau's assistant chief for six years and Vaughn was named to replace him in that office.

Vaughn has been in charge of coordinating the bureau's work with quarantine activities of the county agriculture commissioner's. He began work with the state quarantine division in 1942.

POSTMASTER IMPROVED

Mrs. Elizabeth C. Bavier, local postmaster, seriously injured in an automobile accident at Farad last week, is slowly improving at the Tahoe Forest Hospital, it was reported this morning. Although in a serious condition, a marked improvement was noted.

SUNBEAMS

By WALTER M. BARRETT

With the holidays upon us, we would like to issue a very serious warning. The new freeways are inviting and thousands of motorists will be traveling both during Christmas and New Years Day. Many will be filled with the holiday spirit and may be less cautious than usual, so it behooves the others to be more than careful. Keep the speed down, avoid alcoholic beverages if you are going to drive and above everything be courteous. Take it easy and enjoy the holidays to their fullest.

We take this means of expressing the heartiest best wishes to all of you from the entire staff of the Sierra Sun for a merry Christmas.

Cost Of Squaw Is Estimated By Parks

California State Park Commission was told Friday that it may take $1,286,569 to operate is facilities at Squaw Valley after the Winter Olympic Games until mid-1961.

This news was given by Ronald E. Miller, budget officer of the Department of Beaches and Parks. Miller said the data had been requested last week by the office of Gov. Edmund G. Brown.

If the money is not appropriated next year by the legislature, Miller said there only would be enough money to provide caretaker service for the state's facilities.

However, he said that if the state spends $731,000 on development businessmen might be attracted to operate some of the facilities. Developments would include construction of permanent parking lots at a cost of $345,000 conversion of a dormitory into a hotel and other construction.

With these improvements, Miller said the state could then operate its facilities with only $175,000 annual loss on the basis of present estimates.

The number of persons visiting Squaw Valley after the Olympics is unknown, Miller said, and for this reason businessmen have been reluctant in offering to take concessions from the state and operate its facilities.

700 ATTEND OPENING OF NEW HARRAH CLUB

William Harrah unveiled his new three-million dollar theater-restaurant on the south shore of Lake Tahoe Monday night to more than 700 by-invitation-only guests —and the unveiling revealed one of the finest show rooms in the West.

First-nighters included some of the top names in show business, public office holders, newsmen from West Coast papers, all the wires services, and trade publications.

Red Skelton, in for two weeks, headlines the opening show in the 600-seat theater-restaurant.

INITIATION IS HELD FOR RAINBOW GIRLS

An initiation ceremony was held December 14 by the Order of Rainbow for Girls including presentation of Bibles and closed with serving refreshments.

Entering the Order included Barbara Keehn, Kathy Ploof, Lita Laborde, Liane Kay, Lilani Brasch, Candy Board, Kathy Seaquist, Carla Baxter, Patricia Saarni, Karen Critchley, Lin Staben, Betty Christianson, Candy Shaw.

Stice, Lake Resort Win High Honors For Decorations

Judges Select Winners In Commerce Chamber Contest

Judges had no easy time in selecting the nicest decorated homes this week when they made their choice and awarded the merchandise orders from the Truckee Donner Chamber of Commerce.

Topping them all, however, was the beautiful nativity scene arranged by Mr. and Mrs. Earl Stice at their Gateway Park home and for which the $25 merchandise order was issued.

Closely following in second place was the huge decorated outdoor tree at the home of Dr. and Mrs. Robert Affeldt at Donner Lake. This beautifully lighted tree has been attracting the attention of scores of motorists who drive by it over the highway.

In third place was the attractive home of Mr. and Mrs. Carl Painter, also in Gateway Park where a miscellaneous array of decorations beautifies the house.

The flood-lighted roof of the Donner Pines Motel at Donner Lake easily won the $25 merchandise order for the best decorated commercial place. This reindeer and Santa Claus scene was also an attraction from the highway.

The Donner Theater took second place this year with its artistically decorated front while the third prize went to Bank of America for its interior beautification.

Second prizes were $15 merchandise orders and third prizes were $10 merchandise orders, all on local establishments selected by the recipients.

ANNUAL CHRISTMAS PLAY IS PRESENTED

The annual Christmas program, held December 17, was opened with "Nativity Overture" by Laas, played by the High School Band. Then April Landers read "Definition of Christmas."

Renee Hall and Gary Snyder presented a dance pantomime, "The Littlest Angel." This was followed by the choir singing "Carol of the Bells" with glockenspiel accompaniment by Sue Moyer and "Cherubim Song."

Barbara Kammerer, of Mrs. Sauby's Drama Class, read "A Letter to Virginia."

The Brass Choir, presenting "Joy To The World," "O Santissima," "Hark The Herald Angels Sing" and "First Noel" was an unusual feature, and was very well received.

The excellent choir sang "Break Forth Oh Beauteous Heavenly Light," "White Christmas," "Sing Gloria" and "Thee With Tender Care."

The beautiful program was closed with "Christmas Parade March" played by the Band, and "Oh Come All Ye Faithful," sung by the entire assembly, led by the choir.

PLAY TO BE OFFERED BY SIERRA COMPANY

Janus, the long awaited play selected by the Sierra Winter Stock will be given Friday and Saturday evenings, January 8 and 9 and Sunday matinee on January 10 at the Tahoe Theater at Kings Beach.

The cast includes Cecil Prior, Dr. Marvin Schwartz, Al Ludlam and Rene MacKay with Alice Price, director.

The play is a light comedy in three acts concerning a pair of authors who turn out a best seller annually and run into unexpected complications with the internal revenue and their spouses.

Tickets may be obtained from members of the group, Ziegler's restaurant, Jimmie Chastain at Kings Beach and C. Z Smith's Insurance at Truckee.

Highway Patrol Is Cut For Handling Traffic At Games

Captain R. B. Langner of Au burn who will direct the state highway patrol Olympic base at Truckee during February, has announced the number of officers assigned to the area has been cut from 186 to 116 to pay the men for working overtime.

Final preparations for handling the big traffic problem during the games are now being completed.

The decision to cut the number, Langner said, was made because of the uncertainty of the work load.

"It would also leave a definite shortage of officers throughout the state," he said. The officers were recruited through a volunteer program in patrol divisions all over the state.

However, the revised program would not change the $113,937 budget for the 28 day operation.

The detailed traffic control program has been prepared by Langner, who worked with Olympic officials and his superiors. He said it is theoretically based on guesswork. "No one can be sure what the traffic load or weather conditions will be," he added.

IN TRUCKEE SCHOOL

The captain and his men will move into the leased Truckee High School about February 1, where they will live for the 28 day period. Dining facilities and living quarters for 24 hours activity will be available at the school.

Some of the officers assigned to the base speak French, German, Latvian, Greek and Spanish. They

BENEFIT AT SQUAW ATTRACTS CROWD

SQUAW VALLEY—The benefit dinner dance and fashion show staged by the Tahoe Squaws at Squaw Valley Saturday evening was a resounding success both from a social and financial standpoint.

At least 1500 people crowded into the athletes' center for cocktails, dancing and entertainment and the buffet dinner. Standing room was at a premium and it is estimated that the proceeds will run close to $5,000.

The money from the event was designed to help defray expenses of athletes coming to Squaw Valley in February, but this plan may be revamped following a discussion between the Squaw and the organizing committee members.

The fashion show and entertainment were directed by Gordon Butterfield of the organizing committee's public relations staff and Mrs. Vickie Johnson was chairman of the Squaws committee.

MRS. BOYLE TELLS OF ROUND WORLD TRIP

TAHOE CITY — Mrs. George Boyle, formerly of Tahoe City, wrote of an interesting trip around the world via Hawaii, into Tibet where she had an audience with the then fleeing Dalai Llama at Dharjeeling, through India and South Africa. A safari for four weeks through the mountains and also she watched the sun rise over Mt. Everest in Nepal.

Among the treasured events was the audience with King Haile Sellasie and His Queen, Tut Ankamen's tomb, Cairo's museum, on through the Holy Land, into important European ports, home again in five months.

LAST RITES HELD FOR IN RENO FOR MRS. OST

Funeral services for Mrs. Olga I. Ost, wife of William Ost, owner and operator of a motel on Donner Lake for many years, were held Friday in Reno. Mrs. Ost expired in that city following what was believed a heart attack.

Rev. Amon Johnson of the Faith Lutheran Church officiated and interment was in Mountain View Cemetery.

Patrol Will Be Out In Full Force For Coming Holidays

Motorists Are Warned To Drive Carefully On Highways

Sergeant Frank Snyder, in charge of the Truckee substation of the California Highway Patrol, said today that the patrol will have every available man of the highways during the holiday weekends.

"Their enforcement activities will be aimed at preventing accidents that change Christmas and New Year's season from a period of joy and happiness to one of sorrow and grief," Sergeant Snyder said.

Noting that last year 53 persons were killed during a 102-hour Christmas holiday period, the patrol commissioner declared:

"Too much speed and too much drinking are responsible for much of the highway slaughter that occurs during the holiday season year after year. Our officers will be particularly alert to these violations, hoping they can slow down the speeders and get the drunk drivers off the highways before they kill themselves along with innocent victims.

"Despite the all-out efforts of the California Highway Patrol, there will be people killed and injured unless each of us accepts our responsibility to drive safely, sanely, and with consideration for the other fellow. It may sound trite, but the fact remains that accidents do not happen, they are caused."

Emblem Officers Installed At Meet

CRYSTAL BAY—The institution and installation of officers of the Lake Tahoe Sierra Emblem Club No. 347 took place Sunday afternoon at the Nevada Lodge.

Special Supreme District Deputy Dorothy Cameron of Los Gatos, organized and prepared the local group for this event.

Installing officers were: Mildred Thorn, supreme president; Bunny Harris, supreme first vice president; Eleanor Helfert, supreme marshal; Clara Neilsen, supreme marshal; Clara Neilsen, supreme chaplain; Edith Brabazon, supreme organist; Luvena Van Vlect, supreme press correspondent; Virginia Hill, supreme district deputy; Dorothy Cox, acting trustee; Dorrie Schillig, first vice president of the California State Association and Special Supreme District Deputy Dorothy Cameron.

The opening ceremonies were given by the officers of the Placerville Emblem Club No. 287.

After the installation the charter was presented to the incoming president, Florence Brown, by the president of the Placerville Club.

Escorts for the officers of the new club were the officers husbands dressed in dark suits. All the officers wore long white formals. Many guests and members of the other Emblem Clubs were present. Dinner was enjoyed by the group in the dining room later.

The next meeting of the club will be on January 14, at 8 p. m. at the Tahoe Community Center in Tahoe City. All eligible ladies are invited to attend. The charter remains open until early next spring.

COFFEY'S GARAGE IS BURGLARY VICTIM

Thieves pried the lock off the front door of Coffey's Garage on High Street sometime Tuesday between 10 p. m. and 9 a.m. and escaped with $40 in cash taken from the cash register.

Deputy Sheriff Roy Water said the thieves were likely amateurs and were frightened as they dropped a dollar bill near the door and a 20 dollar bill near the cash register. Suspects are being questioned.

STRICKLAND IS STILL ON LIST OF CRITICAL

SODA SPRINGS — Friends of Bill Strickland have learned that he underwent a heart correction operation on December 16 in Minneapolis, Minn.

The doctor called Mrs. Strickland to let her know that he would be on the critical list for a week or ten days. Another month of recuperation will be in the east before Strickland is returned to Oakland for further treatment.

Alabama was organized as a territory in 1817 and became the 22nd state in 1819.

LAKE CHAMBER TO PROCESS HOUSING

TAHOE CITY—For the purpose of processing the increased flow of requests for reservations comisg to the north and west shores of Lake Tahoe, the Lake Tahoe-Sierra Chamber of Commerce announced today, through their president, Thomas L. James, that their housing office, which has been working with the VIII Winter Olympic housing committee undedr the title of Local Civic Spectator Housing Office, will function as the heaquarters for the benefit of those who wish to obtain accommodations for the VIII Winter Olympic Games and for the 1959-60 winter activities.

Experienced help to handle the additional work has been pledged by the members of the chamber of commerce and the American Motel Association, North Tahoe Chapter.

Close cooperation with the California State Automobile Association, the Automobile Club of Southern California, the National Automobile Club, Travel Agencies and the public, will also provide expediencey in handling all requests both long and short stays.

Recently, many motesl and resorts on the north and west shores of Lake Tahoe have announced the availability of additional rooms and accommodations, ranging in type from the very moderately priced sleeping accomodations to the very deluxe housekeeping facilities which this area is famous for. Listed rates range from $7 to $15 per person.

Part of the operation consists of having owners of accommodations file with the central office, which is conducted by Mrs. Esther Brown of Kings Beach, a complete list of their daccommodations and prices. equests for accommoations should contain the following information: the dates desired, number in party and price range. With this information on hand, requests can be processed quickly and assigned to one of the cooperating motels or hotels.

BOARD REJECTS BID FOR DECORATIONS

Placer County Board of Supervisors have turned down three applications for cash allocations in connection with decorating for the coming Winter Olympic Games at Squaw Valley.

The board did not approve a $2,000 snow statue at the games site, to be dedicated to Placer County and $1,000 each for decorations for Tahoe City and Kings Beach.

PATROL URGES ALL DRIVERS TO USE CARE

Sergeant F. H. Snyder, officer-in-charge of the California Highway Patrol's office in Truckee, today appealed to all motorists to drive with extra care and caution during the coming holiday season.

"The tragedy of a fatal traffic accident, great as it is throughout the year, is magnified when it occurs during the Christmas season," declared. "Any traffic officer who has had to inform a person that a loved one has been killed in an accident knows what this tragedy means. But he doesn't know it nearly as well as do the victim's loved ones."

The highway patrol official said he has completed plans for a maximum enforcement program during the holidays. His officers, he emphasized, will pay particular attention to the more hazardous, accident-causing violations.

"Excessive speed and right of way violations are two of the most frequent causes of traffic accidents. We will be especially alert for these infractions," Snyder declared.

"We will also be attentive to those drivers who have been drinking, because we want to get them off the highways before they get themselves and others into serious trouble."

GREAT BOOKS CLUB MEETS JANUARY 13

The next meeting of the Great Books Discussion Group will be January 13 in the library of the high school in Truckee. At that time Mrs. Hilda Hintz will lead a discussion of selections from John Locke's an essay concerning human understanding.

A surprise visitor to the last meeting was Bob Heuga who graduated from the local high school in 1957. He is an enthusiastic student of philosophy, having been introduced to the subject while taking the Great Books course in his senior year of high school. Right now he is home preparing for a visit to Europe where he will attend one of several universities —probably the Sorbonne in Paris.

GEORGE ROCKRISE WEDS IN BAY AREA

Announcement has been made that George Rockrise of San Francisco will be married Friday to Mrs. Sally Scott Griffin in the Swedenborgian Church at a five o'clock ceremony, to be followed by a reception at his home on Telegraph Hill.

They expect to spend the Christmas holidays in the Squaw Valley home he built last year.

Texas has more than 1960,000 miles of roads.

Since 1950 San Francisco has led all major cities in the country in population gains per square mile of land.

More than 1200 people thronged the Athlete's Center last Saturday for the Tahoe Squaw's benefit buffet, fashion show and dance on behalf of the U. S. Olympic fund. Some people said it was a "standing room only" affair. Buses brought guests from the south end and from Reno. Everyone is agreed that this was a grand job. If you want to know how to put over such a successful event, take a lesson from these hard-working Tahoe Squaws. They deserve a big salute. The affair was rebroadcast on TV at 2 p. m. last Sunday.

Herman DeFries sends greetings from Sacramento to all his old friends at the lake. Some young old-timers will remember Herman who used to work at the Tahoe Mercantile store. Herman is now 67 and still active working at a market in Sacramento.

* * *

Mr. and Mrs. Ron Attardi of Tahoe City enjoyed a trip to Sacramento recently to attend the company Christmas party given by John F. Otto Construction Co.

* * *

The Charles Thierots of Burlingame will open their Sunnyside home for the holidays and plan a big party at New Year's.

The Tahoe Ski Club met at Tahoe Inn on the 17th and elected officers. Dinty Moore is president; Ray Fellows, Carnelian Bay, first vice president; Pascal Heuga, second vice president; Max Hoff, Homewood, treasurer; Dorothy Caulkett, the Highlands, secretary; and Lucille Heuga, recording secretary. Tournament director is Jimmy Baker of Tahoe City; Race Chairman, Dave McBride, and his assistant is Babette Haueisen, who has given so much time to teaching youngsters at Truckee, Squaw Valley and in the Tahoe City area. Chief of Hill is Wayne Poulsen, Squaw Valley, and his assistant is Tim Sullivan. Four directors at large are Jack Starratt, Bob Stark, Floyd Carnell and Bill Bechdolt. The club members will meet every Friday at 8 p. m. in the Tahoe City Community Center beginning January 8. It's the same old Tahoe Ski Club and it's been reactivated so all former members and those interested are urged to join.

Two Truckee men have really gone all-out to construct a safe skating pond for the children there. They are "Doc" Tapia and Jack Neugebauer. This community service is rendered when most of us are snoozing warmly. The men have worked several weeks from 10 p. m. until 2 a. m. to chink the cracks and check the leaks when the ice forms. We call that true devotion to their community.

* * *

Mr. and Mrs. Howard Guth, the George Holts, and the Herman Tiedemanns attended the El Tahoe Shrine Christmas party at the Crystal Bay Club last Saturday.

* * *

Shirley Gratner and young Jimmy Orr of Tahoma put us to shame last week when they came by the house on skis and told us of the best places for good downhill runs. We hadn't even dusted our skis off as yet. Had a lot of fun ski-touring with these nice youngsters last winter.

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.
Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
The ever availability of the scientific power taught and practiced by Christ Jesus will be emphasized at Christian Science services Sunday.
Readings from the Bible in the Lesson-Sermon entitled "Christian Science" will include the following: "Now the God of hope fill you with al joy and peace in believing, that ye may abound in hope, through the power of the Holy Ghost" (Romans 15:13).
Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include this statement (565: 13-18):
"The impersonation of the spiritual idea had a brief history in the earthly life of our Master; but 'of his kingdom there shall be no end,' for Christ, God's idea, will eventually rule all nations and peoples—imperatively, absolutely, finally—with divine Science."

The year 1960 will usher in many atlerations. As we contemplate the new experiences, problems and opportunities of a New Year, it is reassuring for the Christian to know that he has a Saviour who is the same yesterday, today and forever (Hebrews 13:8). How good it is to rely on the promises of God. The pastor's message next Lord's Day will be entitled: "New Things for the New Year."

TAHOE TRUCKEE SCHOOL NEWS

TAHOE LAKE SCHOOL

KINDERGARTEN: The kindergarten children of the Tahoe Lake School etnertained their parents Wednesday morning December 23, at 9:30 a. m. They presented a playlet "Santa Visits Mother Goose Land." Scott Jorgensen played Santa Claus and Susan Lewis acted as Mother Goose. Each child selected his rhyme to recite for Santa. A party for the children followed.

FIRST GRADE: The top arithmetic students this week getting stars on the tests were: Eve Hunter, Tommy Coster, Yvonne Baker, Steven Cross, David Karcher, Bill Moyer, Judy Funkhouser, Stephen Kilbourn, David Thomson, and Julie Howard.

SECOND GRADE: New officers for the week are: Kristan Attardi as president, and Dorothy Pomin, secretary.

The class has been very busy practicing for the Christmas program.

SECOND AND THIRD GRADE: Well our tree is decorated and our windows are painted, and by the time you read this we will have had our program, party, and presents. On this day especially, we wish you love, good health, and peace.

THIRD GRADE: Newly elected officers are Heidi Allgaier, president; Michael Allgaier, vice-president; and Mike Kettenhofen, secretary.

FOURTH GRADE: All forty-four of us wish to thank Mrs. Mazie Carnell and Mrs. Pat Vanni for helping with our Christmas program. Their help was greatly appreciated.

Our cast for "The First Christmas" included: Anna Marie Conners as Mary; Tommy Hoff as Joseph; Bro Shontz, Breezie Cross, and Kim Marvin, as the Three Kings; Leah Howard, Ann Starratt and Karin Meixner as Three Angels; and all the others were dressed as Shepherds.

FIFTH GRADE: The Christmas language week produced a wonderful, original story by Lynn Harper called "The Real Santa" which holds the theme that faith is the real Santa, no matter what the social beliefs around may be.

Other wonderful stories were written about "The Most Beautiful Thing About Christmas." Leigh Swigert received recognition for the thought of the "warmth of fireside and family."

SIXTH GRADE: On Friday, December 18 our class had a surprise birthday party for Julianne Bechdolt. Julianne's mother served refreshments.

On Wednesday, December 23, we had our class Christmas party. Refreshments were furnished by the sixth grade room mothers. After exchanging gifts, we had a dance and refreshments, then our clean up committee went to work and straightened up the room.

Everyone was very happy to see Santa Claus when he paid us an unexpected visit.

Also we were very proud of the whole school for the wonderful Christmas program which was enjoyed by all on Monday and Tuesday nights.

That's all for now—We of the sixth grade hope everyone had a very Merry Christmas and we also hope everyone has a wonderful New Year.

SEVENTH GRADE: Our class is presenting our own version of "The Shining Tree," the story of the first Christmas tree in the United States.

The characters are played by students and each has an understudy. These are: narrator, Marlea Dranye and Amy Arndt; Mr. Longfellow, Don Decker and Art Waddell; Mrs. Longfellow, Barbara Hutchison and Leta Laborde; Tim, Chuck Carpenter and Carl Brooks; Charley, Randy Hengel and Stephen Newberry; nurse, Barbara Hampton and Nancy Jo Bervid; Louisa May Alcott, Sharon Ny-Blom and Estell Howell; Mrs. Walling, Marie Wainscoat and Wendy Boatman; Eric, Bob Wells and Ronnie Baker.

Our prop committee consists of Carl Brooks, David Reed, and Butch McWilliams while Celeste De Sylva, Pamela Simpson, and Richard Jacobson planned the background. Leta Laborde, Gail Fitzgerald, and Carol Franklin arranged the costumes.

Wayne Mandeville was the assistant director.

SEVENTH GRADE: Presents galore and holiday spirit abounded when our class celebrated with a Christmas party on December 22. Gifts were exchanged and dancing was enjoyed by all. Party committees were as follows: tree decorations, Eddie Hoff, Susan Stephani, Holly Shaw, and Mike Rates; entertainment, Don Bury, Lise Davis, Penni Clarke, and Greg Moore; refreshments, Karen Simpson, Wendy Broomhall, Larry Ingram, and Jerry Bloom; clean-up: Toni Taylor, Randa Fugere, Roger Michener, and Jerry Hopson. Special thanks go to Mike Keehn who brought our Christmas tree.

Students attaining perfect papers in spelling on Unit 15 were: Wendy Broomhall, Susan Stephani, Katie Schwieger, and Jerry Bloom.

EIGHTH GRADE: Recent and last minute practices in the Christmas program gave top place in the cast to: Joe Hoxsie, Bill Raikes, Greg Thompkins, and Madelyn Kammerer.

Those showing considerable improvement in social studies are: Joe Hoxsie, Jim Kimball, Jim Jacobson, and Mike Knittle.

A Very Happy and Merry Christmas to All.

KINGS BEACH SCHOOL

KINDERGARTEN: A Christmas party was planned by the room mothers for the kindergarten. The boys and girls exchanged gifts which were books to be left in the room for the group to share.

Terry Raikes, Debbie Seaquist and Mike Weiss are leading a project in the afternoon group of making ornaments from aluminum pie pans.

Both groups finished their "Surprise-Take-Home" gifts.

SECOND GRADE: Our enrollment has increased again. We have two new pupils. Teresa Cone came from Martinez and David Brown came from Castlebury, Texas. Now, there are thirty-nine second graders.

We want to thank Richard Anderson, Jimmy's father, for donating a Christmas tree. The class made the decorations for it during art period.

DONNER TRAIL SCHOOL

PRIMARY NEWS: The primary students of the Donner Trail School have worked very hard this week to complete final preparations for the presentation of their original production of the "Old Woman Who Lived In The Shoe." Their program was given Friday evening in the Donner Trail School to an audience of mostly parents and friends. The class enjoyed the Christmas tree decorating party held at the school on Wednesday. The nine foot tree was decorated in ornaments made by the children.

UPPER GRADES: Friday, December 10, the Donner Community Club held their Christmas party at the Donner Trail School. There were four skits presented by the students of both the lower and the upper grades. The skits included all 55 of the children attending the school. Carols were sung by the audience in between the skits.

Santa Claus made his appearance after the show bringing stockings full of toys and candy for the children, while refreshments were served to the adults.

TRUCKEE ELEMENTARY

KINDERGARTEN: We no sooner finished with five-year birthdays than the six-year one began. Our December six-year olds are Holley Schooley, Vickie Mahone, David Jaurequi, Denise Clepper, Richard Saarni and Carol Bunt.

FIRST AND SECOND GRADE: Good spellers for this week are: Nancy Raynor, Virginia Strobel, Kent Mullis, Margaret McLane, Kathleen Collier, Pat Stark. Merry Christmas to everyone.

SECOND AND THIRD GRADE: Sandra Ferdinand, Kathy Stowe, Claudia Rhoades, Augie Acosta, Diane Rose, Kathryn Barrett, Melanie Anderson, Larry Doyle, Donna Comola, Kathy Goicoa, Carl Mahon, Betty Ann Stacy, Phyllis Brown are the best spellers this week.

THIRD GRADE: We have been working hard completing gifts for our parents. Many thanks to Michelle DeLisle for supplying our class with a lovely Christmas tree. "One hundreds" in spelling for

DONNER DOINGS

By VIRGINIA O'BEAR

Just about everybody at Donner Lake has the Christmas spirit. Everywhere you look there is a gaily decorated tree or you can see a Santa Claus in a sleigh with his reindeer on several roof tops out our way. It is a very special time of year for all, not only for the giving and receiving, but for the remembering of a very special birthday of Christ, who we all know. Since this is my first Christmas Donner Doings, I would like to use this column to extend my good wishes to everyone for a very Merry Christmas and a Happy Prosperous New Year.

* * *

Last Thursday night the Ladies Auxiliary of the Donner Lake Volunteer Fire Department met at Donner Lake Lodge for a very enjoyable Christmas party. The tables were gaily decorated and a Christmas play was put on by several members of the auxiliary. Mrs. Virgil Harris, Mrs. R. L. Harris and Mrs. L. Brooke were the hostesses in charge of the dinner and entertainment and Mrs. C. Z. Smith gave a helping hand with the decorations. All in all, it was the best Christmas party the auxiliary has had and everyone joined in with singing of many Christmas carols. The next meeting will be at Donner Lake Lodge next year, January 21, 1960.

* * *

Many children from the Donner Lake area joined in with children from Gateway and Truckee last Saturday afternoon and enjoyed a pleasant afternoon at the Donner Theater. The affair was sponsored by the Truckee Fire-ettes and they did a tremendous job of furnishing the children with many cartoons, a Santa Claus with five elves dressed in colorful red costumes and a large gingerbread boy. Each child received a very nice gift and all enjoyed the afternoon. The price of admission was nothing but to be admitted, each youngster had to be wearing a little firetruck which was handed out at school and which is the insignia for the Fire-ettes. The elves who were Santa's helpers were Sherri Curran, Diane Silverie, Joan Brown, Bonnie Fair, and Donna Barnes. The Fire-ettes plan to do this each year from now on.

* * *

Many people are out of town for the holidays and many people are having out of town guests here for Christmas. I will try and have a full report on who went where and who came here, next week. It wouldn't be fair to mention the ones I know about and not mention the ones I haven't heard about yet so I will try to give a full report next week. I have received a lot of Christmas cards from our summer residents and friends saying they will be up for New Year's Eve and the weekend. Will cover that at a later date, too.

* * *

This is a short column this week as I am as busy as you are. We are enjoying company, too. I am busy cooking, baking, wrapping gifts, addressing cards and trying to finish decorating our old fashioned tree that we are having this year. I know you will all understand as you are doing the same and I hope you are enjoying it as much as I am. Again I say . . . Merry Christmas to all.

OLYMPIC ASSIST—Helping to get Squaw Valley, California, in shape for the 1960 VIII Olympic Winter Games, U.S. Army Engineers and Signal Corpsmen are pitching in with heavy equipment and setting up communications systems. three weeks in a row have been earned by Joe Corro, Ryan Houlgate, Bruce Leamon, Curt Mullis, Steve Silverii, Sandy Davis, Mary Lou Randall, Tammie Richards, and Maryann Atkinson.

FOURTH AND FIFTH GRADE: Artists drawing the mural, a Christmas scene, were Carol Brown, Cheri Comola, Gail Englehart and Nancy Randol. Decorating the bulletin boards were John Collier, Russell Glenn, and Cam Houlgate. Creating a clever design of red, yellow, and green were Billy Sassarini, Beverly Holleman, Sharon Petersen, David Derting, and Lennie Vind. Drawing the mural to be colored with chalk were Pam Horman, Garee Lynn Stewart, and Cheri Comola.

FIFTH GADE: The fifth grade now makes a weekly trek to the high school library. Mr. Baker, the librarian, has encouraged the youngsters to the point where their interest in outside reading is at a fever pitch. Some of the more prolific readers are Terry Richards, Jack Melugin, Heidi Euer and Don Whiteneck.

Truckee Elementary school's basketball squad stepped out of their league for a practice game against the high school's second string J. V. squad. However, the little fellows played their best game to date and just missed knocking over the older and much larger boys of the high school 22 to 20.

SEVENTH GADE: Those who received 100 per cent in spelling were Brenda Blair, David Fordham, Danny Garcia, Julie Householder, Marcia Leamon, Mike Sauby, Chuck Spillner and Kenny Taylor. We went to a Christmas dance, Friday the 18th.

Truckee Elementary played Tahoe City in a game of basketball. We won of course, the score being 36-17.

In our science test, those who made 100 per cent were Carolyn Gilman and Bob Jackson. Miss Kessey has started a girls basketball team. Our boys played the J. V. team at the high school. The J. V. won, but the score was 22-20.

Our editors this week are Marcia Leamon, Glenda Stark, Julie Householder, and Sharlon Levy.

SUGAR BOWL

December 18 was the official opening date for the Sugar Bowl ski area. John O'Rear, who comes with his family from the Mont Tremblant area of Canada, will manage the Sugar Bowl this year. Many skiers will recall O'Rear as the author of several books concerned with skiing. Junior Bounous is back for his second year to operate an excellent ski school. Returning instructors are Harte, Meller and Don Brolin. The Sugar Bowl ski patrol staff is also returning with patrol leader Hank Petersen, and patrolmen Dick Petersen, Frank Maytner, and Carl Goldman. December 17 the Sugar Bowl employees and their families enjoyed a pleasant evening at the cocktail party held in their honor. Also invited were many business people from the Donner Summit area. December 28 has been set for the Sugar Bowl Ski Club junior team tryouts. Recalling the postponement of last year's tryouts caused by lack of snow we hope some falls soon.

BILL STRICKLAND

Bill Strickland of Soda Springs, known skier and winter sports writer is in Minneapolis recovering from an open heart operation. At latest report he was not recovering satisfactorily. His wife Marie, has flown to Minneapolis to be with him. Young son, Bill, has gone to Vallejo where he will spend the Christmas holidays with his grandparents. An early morning phone call from Bob told of his flight to Germany where he is being stationed by the United States Army. Just a few days before Stricklands operation was scheduled his sister flew from her home in Hayward to be with Bill. As she disembarked from her plane in Minneapolis she fell breaking her ankle.

TODDY SIMMONS

Mrs. Toddy Simmons together with her daughters, Leslie and Mimi, have gone to Berkeley where they will spend the Christmas holidays with the children's grandmother. James Simmons will join his family Wednesday evening after school closes.

CHRISTMAS PARTY

The students of the Donner Trail School presented to the members of the Donner Summit Community Club their annual Christmas program, which was indeed successful. The program lasted approximately an hour and a half. Santa Claus visited the children listening to their wishes and giving each a stocking filled with candy, and toys. The Soda Springs hotel furnished soda pop to be served with cookies and ice cream as refreshments.

May I wish my readers a Merry Christmas and may all your dreams come true in 1960.

TnT TIDINGS

By SHERRY THATCHER

A pale blue and white background with shining silver stars provided the decorations for "Fantasy in White," the annual Christmas Ball. Refreshments provided by the seniors included chocolate fudge, divinity, fruit cake, cookies, and a tangy punch.

The candidates for Mr. and Miss Tnt, Doug Ball, Carol Bailey, Debbie Bradley, Lydia Craig, Marty Kumle, Woody Ribal, Mitch Terkildsen, and Sherry Thatcher, were introduced by Larry Jellin who crowned Marty Kumle Mr. TnT. Marty then crowned Debbie Bradley Miss TnT and presented her with a bouquet of red roses.

Dance music was provided by Mr. Ross Price and his six piece orchestra.

Doug Ball, Lydia Craig, Jim Loynd, Linda Morrell, and Larry Rollison entertained everyone by singing "Mack the Knife" accompanied by the orchestra.

Chaperones attending were Mrs. W. W. Grimm, Mr. and Mrs. J. Bol, Mr. and Mrs. E. P. Goodrich.

The volleyball game between the faculty and student council was played Monday with the faculty coming out victorious by a score of 21-15. The hat was passed and $11 was raised for the Olympic Commission.

Christmas was celebrated in Mrs. Grimm's shorthand class on Wednesday, December 23. Each girl wroe her favorite Christmas carol in shorthand and made an attractive Christmas card — in shorthand of course. The cards were given out and the carols sung at a festive party held in class.

* * *

Graduation seems just a little closer to the seniors now. Last Wednesday they were fitted for their caps and gowns. They chose a pretty blue gown and blue hats with red and white tassels.

* * *

Ski team practice has started under the direction of Eugene Goodrich. They will work out in the gym until the snow comes and then they will practice at Squaw Valley after school.

* * *

The members to date are: Linda Giovannoni, Patti Lewis, Sandy Fellows, Jeanne Spitzen, and Sherry Thatcher for the girls team. The boys are: Doug Ball, Parky Bechdolt, Bob Forster, Trent Giannini, Robert Hobbs, Dave Kettenhofen, Randy Pomin, Randy Schultz, Wayne Poulsen, John Stephani, Nick Stone, and John Sutter. More may come out at a later date.

Seeks Damages

John Rau, Roseville railroad man and former Truckee resident, has filed a $50,000 action against the Better Markets of Roseville, Joe Wilson, its proprietor and a bottling company. Rau claims he was injured by the impurities in a bottle of ginger ale he purchased at the store on New Year's eve in 1958.

KNIGHT IS ELIGIBLE FOR HIGH PENSION

SACRAMENTO — (CNS)— Former Gov. Goodwin J. Knight celebrates his 63rd birthday Dec. 9 and becomes eligible to be the state's highest-paid pensioner.

Under the Legislative Retirement System in which he enrolled, Knight will be eligible to receive $16,000 a year in retirement benefits. This represents the maximum of 40 per cent of the incumbent's salary. Legislators with maximum service may draw up to 75 per cent of the incumbent's salary.

Knight's retirement actually will amount to 64 per cent of the highest salary he received from the state, the $25,000 governor's salary.

Knight served as the state's chief executive from Oct. 5, 1953, when he succeeded to governorship on the advancement of Gov. Earl Warren to the U. S. Supreme Court, until Jan. 5, 1959. Knight ran successfully for reelection to the governor's office in 1954 but did not seek the office again in 1958. Instead, he was an unsuccessful candidate for the U. S. Senate.

The former governor first entered public service in September, 1935, when he was appointed to the Los Angeles county superior court by the late Gov. Frank Merriam. He remained a judge until 1946, when he ran successfully for the office of lieutenant governor. He was reelected to that office in 1950.

The State Employes Retirement Association, which administers the legislative system also, said Knight had been notified he would be eligible to draw benefits when he reached the age of 63. He has the option of drawing less retirement benefits and providing benefits for his wife in the event of his death.

WEATHER

The past few days there has been rumors that snow is just around the corner, but clouds and some sunshine has been going along with dry roads. Monday a. m. it is 40 degrees and a beautiful day.

TREES

More and more lighted trees on the side roads and highway to welcome the Christmas week and the many visitors. Let's keep going with a joyous feeling.

PARTY

The Christmas party at Kings Beach was a great affair, many more children and grown-ups gathered at the big lighted tree on Brassie Ave. and the Brockway Theater. Many thanks to those who made it possible. Santa Claus came riding down the short cut, siren going on the big new white fire truck surrounded with many toys. It was a big thrill to everyone, and a party for all to be proud of. Santa's identification was not known to me but he sure was a jolly old fellow.

SHRINE

The biggest party of the year for the Shriners was held at the Crystal Bay Club, Saturday night. Ladies in their lovely gowns and the men in their white coats and brilliant red hats. More than 200 attended. Cheers broke loose when our great friend, Johnny Rayburn was installed president of 1960. Under his guidance it will be a great year.

ATTORNEY

Robert A. Fugazi, nationally-known attorney, has a new office at the Highlands Center at Tahoe City. Call in and see "Bob" at your convenience. Although always busy, he will be glad to greet you.

NEW YEAR'S EVE

See the full page ad about the party at Crystal Bay Club.

FLAGS

Heard flags were to be flown from Tahoe City to Crystal Bay. Hope it comes about, it cannot be done collectively, let each home and store fly a flag during the Olympics.

MAY BE CLOSED

Unless there is ample snow for skiing in the area Friday, the Crystal Bay Club will be closed in observance of Christmas. However, if there is sufficient snow, it will remain open. I am informed.

MERRY CHRISTMAS AND THE HAPPIEST NEW YEAR EVER!

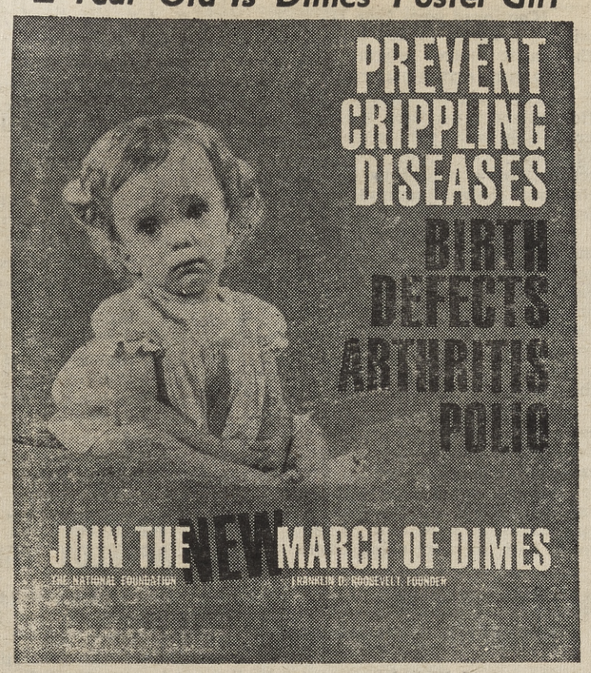
2-Year-Old Is 'Dimes' Poster Girl



Mary Beth Pyron, 2, daughter of Mr. and Mrs. James T. Pyron of Florence, Ala., has just been chosen national poster girl for the New March of Dimes 1960 campaign in January. Her picture will appear on millions of posters (above), canisters and coin collectors in every town and village of the country, symbolizing the New March of Dimes attack on crippling birth defects, arthritis and polio, diseases that affect one in every four U. S. families. Mary Beth was born with an open spine and water on the brain. Medical science knows no way of helping her. Hope lies in scientific research supported by the New March of Dimes. Mary Beth is a sunny, affectionate child and loves to ride her new walking horse (left). Her brother Tommy, 4, is a normal child.

AFFAIRS OF STATE

by Henry C. MacArthur

SACRAMENTO — (CNS)—Once again, the question of state support for adult education in certain of its categories, is scheduled to come before the state legislature. This stems from the entry of the California Taxpayers' Association into the field of argument that has raged for many years concerning state participation.

E. Maxwell Benton, schools consultant for the association, has urged before a sub-committee on adult education, consisting of a group from the assembly interim committe on education, that taxpayers should not have to foot the bills for adults who want to pursue hobbies via the class-room, or take foreign languages because they plan a trip abroad.

There is little new in the protest of the taxpayers association, in view of the controversy of the past several years and the probe which resulted in elimination of state support for some classes, like square dancing, and the decrease of support for other classes.

However, the fact that abuses of the adult education program appear to continue, provides sufficient reason for the association, and others who are interested in more for the educational dollar, to continue the battle against these abuses.

Benton says that the cost of the adult education program should be borne for the most part by those who benefit directly from the classes, a contention that has been made for many years. The association, he says, does not wish to eliminate desirable and useful adult education classes, but does seek to reduce the state subsidy for adults.

"Specificially," he told the interim sub-committee, "we suggest that you redefine adult average daily attendance classes so that state support is only available for classes in English and citizenship and academic classes leading to a diploma."

According to the state department of education, he told the committe, only about 30 per cent of the total adult education enrollment was in academic subjects and in citizenship and English for foreigners.

He pointed out that state school fund apportionments for adult education now approximates $11 million, and said that if the subsidy for all other education classes were reduced or eliminated, as much as seven or eight million dollars a year might be available for support of the regular educational program.

"This saving," he said, "is something to think about since growth requirements are approximately $40 million each year in added state school support.

"We believe that school districts should be encouraged to charge tuition fees in such areas as business education, trade, industrial and shop courses, crafts, fine arts, and home-making education. Taxpayers should not have to pay all the costs of courses which train adults so that they may improve their economic status. Taxpayers should not have to foot the bill for adults who want to pursue hobbies via the class-room, or take foreign languages because they plan a trip abroad. "Responsible adults can afford to pay a reasonable fee for such courses.

"The continually growing school population is making it increasingly difficult to provide sufficient funds to finance the regular day to day school programs for the education of our children, who must have top priority."

SCOUTS ENTERTAINED BY VFW AUXILIARY

KINGS BEACH—Girl Scouts of Lone Troop No. 1 and Brownies of the North Tahoe area were entertained by members of the Ladies Auxiliary to the V. F. W. Post No. 7077, Lake Tahoe, Saturday, December 12 at the Kings Beach School.

The gifts of sock monkeys, puzzles, tray mats, Christmas socks and cards, which the girls made for the children in the Weimar Chest Center, were displayed by Mrs. Bob Howell, Girl Scout leader.

Merit citations were presented to Sandra NyBlom of the Girl Scouts and to Gale Cernusak of the Brownies by V. F. W. Auxiliary President Sophie Levra in appreciation for the assistance the Girl Scouts and Brownies have given their sponsors during the past year.

Singing of Christmas carols and games were enjoyed by the 42 girls present.

Prizes were presented to the following girls: Vickie Molhagen, Patty Bervid, Mary Ferrari, Karen Carrara, Janice Wing, Susan Clackett, Paula Martin, Gale Cernusak and Cyd Moore.

Refreshments of ice cream and cookies were served by Auxiliary members Ethey Antonson, Sophie Levra, May Murray, Bernadine Spavor and Pearl Moore.

A submarine telephone cable from Port Angeles, Wash., to Ketichkan, Alaska, was opened in December, 1956.

CUSHING DENIES HE THREATENED HELP

SAN FRANCISCO—Squaw Valley Development Corp. began presenting its defense case in hearings before the national labor relations board.

Alex Cushing, firm president, denied he threatened employes with dismissal if they sought to organize maintenance workers in the ski area as members of Local 3, Operating Engineers.

Cushing claimed he only told the employes that it would be better to have maintenance work done by contractors with skilled union labor than to use semi-skilled laborers demanding union pay.

Cushing is accused in the hearings of dismissing four employes because of their union membership. If true, this would be an unfair labor practice.

Cushing said the employes involved were fired because of the seasonal slack in work and because some work was done by a contractor.

ness, as he used the free throw line to garner 8 of his 12 second quarter points.

After the intermission, the game amounted to TnT's ball hawking versus Sparks' brilliant fast break, as both teams began using more and more reserves.

One bright spot for the Wolverines was their excellent free throw accuracy, as they wound up the evening with a total of 26 free throws which equalled their point production from the floor. Sparks only managed 18 in this department, but their 33 field goals, many of them layins, lent them their bulge.

Bill Notley, Sam Medford and Chuck Bergman all hit the double figures in the scoring column with 14, 12 and 11 respectively. Bergmans total included one field goal along with nine free throws. Chicago, the bell wether of the Sparks team, had 16 to pace the Railroaders, while Guidi and Sanderson followed with 12.

The Sparks encounter left the Wolverines with a 1-2 record for the preholiday set of games, as they are now able to rest for their January 9 league opener with the fine Winnemucca team.

Founded in 1899, Tanforan Race Track at San Bruno, is the state's oldest race course.

HIGHWAY PATROL

will be assigned to key points in the traffic control program.

2 BIG BOTTLENECKS

Langner said the principal traffic bottleneck expected is Donner grade. He said a plan to make the road one way during the peak traffic hours was discussed but this was shelved because of the fear of confusion among motorists

He stated the California Trucking Association has agreed to reroute trucks on Highway 50. He explained other trucking agencies and organizations in Nevada and California will be advised the trucks could be delayed from two to four hours on U. S. 40 during the games.

Highway patrol officers will be concerned primarily with the orderly movement of traffic, Langner said, but will issue citations to drunken and reckless drivers, and will rigidly enforce chain requirements in snow and 25 mph speed limit for cars using chains.

BOARD DECLINES TO SPONSOR SNOWMAN

A request of Walt Disney Productions, in charge of the pageantry for the Squaw Valley Winter Olympic Games, that Nevada County donate $2,000 for the erection of snow characters during the games was filed without comment by the board of supervisors at their recent meeting.

A number of other counties and cities are sponsoring snowmen and other snow and ice features which will attract wide attention during the games.

Boston Common was set aside in 1638 as a "cattle grazing ground."

6.5 MILLION RENEWAL SLIPS TO BE MAILED

SACRAMENTO—(CNS) — The state Department of Motor Vehicles will dump 6.5 million pieces of mail into the chutes Dec. 28 when it sends out the renewal notices for regular automobiles .

The renewal period runs from Jan. 4-Feb. 4.

Renewal of commercial vehicle registration for 1960 currently is underway in field offices of the department. Applicants for registration of commercial vehicles on the quarterly basis are advised to apply for this option early in the holiday season. The installment fee plan is available only if applied for on or before Jan. 5.

The department pointed out too that any person who acquires a vehicle by transfer during December must pay the full registration fees for the following year.

FAMILY REUNION AT DR. AFFELDT HOME

During the Christmas holidays, one are his parents, Mr. and Mrs. Dr. and Mrs. Robert Affeldt and their son, Robert will entertain 20 family members at their first reunion since 1940.

Making the occasion a happy John Affeldt from Lansing, Michigan; Dr. and Mrs. John Affeldt of Downey, Calif.; Dr. and Mrs. Harold Ziprick of San Diego; Dr. and Mrs. Clifford Wagner of Hepner, Oregon and all the children of the couples.

The Diamond Walnut Growers, Inc., with headquarters at Stockton, was organized in 1912.

Last year 12 Scouts of the Tahoe Area Council attained Eagle Rank.

PLANNERS TO MEET TO DISCUSS FUNDS

CRYSTAL BAY—Joint planning commissions of El Dorado and Placer Counties in California and Washoe, Ormsby and Douglas Counties in Nevada will meet here January 15 to discuss approval of application for a federal planning grant for the Lake Tahoe area.

Planners from the five counties will give a resume of local planning operations, which will lead to a discussion on needs, procedures and desirability of federal aid participation in the orderly development of the Lake Tahoe watershed area.

The meeting is being called by the Lake Tahoe Area Council and will be held beginning at 10 a. m. in the Nevada Lodge.

FORMER GUEST SUES FOR DONNER HURTS

A former guest of Donner Lake summer residents filed a complaint against her hosts in the Nevada County Superior Court Friday for personal injuries she allegedly sustained on a stairway of the defendants summer home.

Maude Ann Hawkes charged that on July 26, 1959, while she was a guest of Frederick W. and Eileen Hawkes on the southwest shore of Donner Lake, she fell from steps in the home injuring her right leg. She asks $25,000 for personal injuries which the plaintiff alleges are permanent; $1,785 for medical expenses already incurred, plus medical costs that migh arise in the future.

California had 22,258 acres planted to figs in 1958.

CHARLIE DOBBS IS ABOUT TO START HIS ACTIVE CAMPAIGN TO BE ELECTED GOVERNOR OF HIS STATE!
REMEMBER, DOBBS - THE VOTERS WANT A MAN THEY CAN TRUST--AND THE MOST TRUSTWORTHY OF ALL OFFICIALS IS THE ONE WHO DOESN'T JUMP AT CONCLUSIONS! HE'S A MAN WHO THINKS!
AND--GET THIS, SON--THE THINKING MAN IS NOT A TALKING MAN! IF YOU'RE ASKED ANY QUESTIONS LIKE..."WHAT'S YOUR POSITION ON BETTER HIGHWAYS?" ---YOU DON'T JUMP TO CONCLUSIONS ---YOU USE YOUR HEAD AND SAY---
---"I PLAN TO REVIEW THE WHOLE PROGRAM," OR IF SOME OTHER CITIZEN ASKS YOU," HOW ABOUT A REDUCTION IN STATE INCOME TAXES?" YOU SIMPLY REMARK ---"THERE'S MERIT ON BOTH SIDES OF THAT QUESTION---"
BUT--WHEN THERE'S A BABY SHOVED IN YOUR FACE TO BE KISSED---
DRINK Cola Cola
YOU KISS IT--LOUD AND JUICY, LIKE SO!!
SMACK!
EVERY UNMARRIED WOMAN MUST BE TREATED LIKE THE MOST DESIRABLE CATCH OF THE CENTURY - LIKE THIS--
A MARRIED WOMAN MUST BE STARED AT WITH A CLEAR IMPLICATION THAT IF SHE WERE FREE SHE WOULD BE YOUR CHOICE AS THE PERFECT MATE!! WHEN YOU HEAR A CAMERA SHUTTER CLICK, TURN RAPIDLY IN THE DIRECTION OF SAID CLICK AND SMILE YOUR FRIENDLIEST! ANY QUESTIONS, DOBBS?
NO, SIR - YOU'VE GIVEN ME AN AWFUL LOT TO THINK ABOUT ALREADY!
